

# AKASH VERMA

9839617132

## SUMMARY

A detail-oriented Computer Science graduate, currently advancing my skills in CDAC's specialized course. Proficient in frontend technologies like **HTML**, **CSS**, **JavaScript**, and **React**, I focus on building efficient, user-friendly interfaces. With a passion for problem-solving and continuous learning, I'm eager to apply my technical expertise and creativity to impactful projects at **Google Apprenticeship Program**, contributing to innovative products as part of a dynamic team.

## PROJECTS

### Responsive Web Portfolio

- Created a personal web portfolio using HTML5, CSS3, and JavaScript to showcase projects and skills.
- The portfolio includes a visually appealing, user-friendly interface with sections for project descriptions, resume download, and contact information.

### Movie Ticket Project

- Built a responsive movie ticket booking web application using HTML, CSS, and JavaScript. Designed the user interface to allow users to browse available movies, select showtimes, and choose seats through an intuitive and dynamic seating layout.

### News App Project

- Developed a responsive news web application using HTML, CSS that fetches real-time news articles from an external API.
- The main focus of this application is to deliver all types of news with images.
- Implemented API integration to fetch news data and handle asynchronous data requests efficiently.

## EDUCATION

CDAC(Centre for Development of Advanced Computing) , Delhi

AUG 2024- Present

- PG-DAC Course
- Sharpening my technical Skills and learning new tools here

Anand Engineering College ,Agra.

- B.Tech in CSE

7.28 CGPA

DEC 2020 - JUNE 2024

Bhavans Mehta Vidyashram

- INTERMEDIATE

7.8 CGPA

APR 2016 - MAR 2018

## ADDITIONAL INFORMATION

- Technical Skills: C++ | Java | Python | HTML | CSS | JS | React | SQL
- Languages: English, Hindi.
- Hobbies: Learning new technologies , watching technical podcasts on YouTube.
- Achievements: E-Gain certificate (offline intern for 6 months)
